**HELLO!**

Welcome to our new brochure with a huge range of hand knitted finger puppets, gift packs, puppet pencils and our unique finger puppet greeting cards. We now also have personalised puppet wedding cards and favours where you can match the puppets to the real life bride and groom. We hope you like what we have to offer and we are happy to answer any questions you may have. Our contact details are on the back of this brochure.

The main thing we notice about our puppets is that they create a smile no matter what age the person is playing with them! Our aim is to spread finger puppet fun and happiness and we say a huge thank you to our customers for helping us achieve this.

Our puppets are ethically sourced and we donate 10% of our profits to Oxfam, projects to help the communities where the knitters live and our very own Little Fingy FUNd in which we donate finger puppets to children's charities and poorly/underprivileged children around the world.

## FREE POINT OF SALE PUPPET DISPLAY BOX

Cardboard display box with option of a motion 'waving' hand. Suitable for displaying your finger puppets, greeting cards, gift bags or a mixture of each. The upright waving hand section of the box is detachable from the tray part of the box making it useful where space is limited or to display puppets in shop window or behind a counter. One generic design with wood effect is suitable for any combination of puppets. Box size (Footprint) 190 x 290 mm. Total size including hands 290 x 400 x 400mm high. Each finger on hands has small hole so the puppets can be attached to prevent removal. Box can hold approximately 60 puppets. Low energy motor for motion hand allows long running time. Powered by 1no. AA size battery (included with POS 7b)

DISPLAY BOX POS 7 IS FREE SUBJECT TO MINIMUM ORDER (Puppets sold separately)

We decided it would be a good idea to completely cover an old ice cream van in knitting. We knew a local creative social enterprise called OWL Industries who jumped at the opportunity to yarn-bomb the van with us. We started a group called 'Knitting Communities Together' and the aim of the project was to bring people together from different social backgrounds to teach them new skills and interact with each other. We bought an old ice cream van and after a lot of welding it was ready to be covered in wool. Every last panel of the van was measured and drawn up at full size. 32 people got involved with knitting and crocheting the pieces before they were all stitched together and finally stuck onto the van.

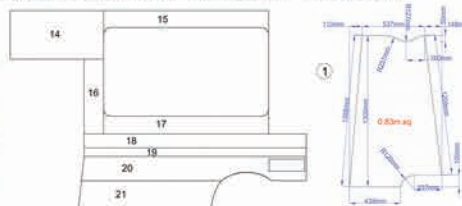

We took the van on tour in the summer and visited a number of festivals and events. We got people at the festivals to join in with the knitting and had a puppet theatre and sometimes even a silent disco to add to the crazy idea! We did have some funny looks when we were driving the van around but the whole experience was great fun for everyone involved.

Money raised by Little Finky has paid for computers for schools in the South American communities where the knitters live. We have also bought desks for the school children and mattresses and blankets for the knitters.

With your help we aim to raise increasing amounts of money for these communities and also support Oxfam and donate puppets to underprivileged and poorly children through our Little Finky **FUNd**.
